Pro-Collect Pty Ltd
Attn: Stuart Scott - Director

I am writing to express my thanks to you personally, for the fast and efficient debt collection services that you and your staff have provided to Boulevard Serviced Apartments for a number of years.

Even though, the debts that have submitted for collection have not been huge dollar amounts, the Pro-Collect team, have always managed to arrange for the debts to be paid in a professional and reliable manner.

I, personally, really like to one-on-one approach that your company offers, having one Account Manager to look after the whole process from the initial lodgement of the debt to the final collection, makes communication easy and simple. This one-on-one approach coupled with the ability, via your website, to access the status of debts under collection and lodge new debts, make Pro-Collect my first and only choice for the collection of outstanding accounts.

I have not hesitation in recommending Pro-Collect Pty Ltd to other business owners and acquaintances that I have regular contact with.

Regards,

Mark Peachman

Office Manager - Boulevard Apartments.
